The following provisions will apply to Emergency Evacuation and Repatriation of Remains:

EMERGENCY EVACUATION

The Company will pay benefits for Covered Expenses incurred, up to the maximum shown on the Confirmation of Coverage, if an Accidental Injury or Sickness commencing during the course of the Trip results in Your necessary Emergency Evacuation. An Emergency Evacuation must be ordered by a Physician who certifies that the severity of Your Accidental Injury or Sickness warrants Your Emergency Evacuation.

Emergency Evacuation means:

- (a) Your medical condition warrants immediate transportation from the place where You are injured or sick to the nearest Hospital where appropriate medical treatment can be obtained;

- (c) both (a) and (b), above.

Covered Expenses are reasonable and customary expenses for necessary transportation, related medical services and medical supplies incurred in connection with Your Emergency Evacuation. All transportation arrangements made for evacuating You must be by the most direct and economical route possible. Expenses for transportation must be:

- (a) recommended by the attending Physician;
- (b) required by the standard regulations of the conveyance transporting You; and
- (c) authorized in advance by the Company or its authorized representative.

Transportation of Traveling Companion or Dependent Children: If You are in the Hospital for more than two (2) days following a covered Emergency Evacuation, the Company will return Your Traveling Companion and/or unattended Dependent Children accompanying You on the scheduled Trip, to their home.

Transportation to Join You: If You are traveling alone and are in a Hospital alone for more than seven (7) consecutive days or if the attending Physician certifies that due to Your Injury or Sickness, You will be required to stay in the Hospital for more than seven (7) consecutive days, upon request the Company will bring a person, chosen by You, for a single visit to and from Your bedside, provided that repatriation is not imminent.

If You suffer an Injury or Sickness while on the Covered Trip, which results in hospitalization and the attending Physician advises You against driving Your vehicle home, the Company will pay the charges imposed to return the unattended vehicle to Your primary residence. This coverage is only afforded to non-commercial vehicles.

Transportation services are provided if authorized in advance by the assistance provider, and are limited to necessary economy fares less the value of applied credit from unused travel tickets, if applicable.

Transportation means any Common Carrier, or other land, water or air conveyance, required for an Emergency Evacuation and includes air ambulances, land ambulances and private motor vehicles.

The Company will not cover any expenses provided by another party at no cost to the Insured or already included within the cost of the Trip.

REPATRIATION OF REMAINS

The Company will pay the reasonable Covered Expenses incurred to return Your body to the Insured's primary place of residence if You die during the Trip. This will not exceed the maximum shown on the Confirmation of Coverage.

ASSISTANCE SERVICES WHEN HOSPITALIZED

The following details on steps you should take if you are hospitalized with a serious or critical condition more than 150 miles away from your home.

If you, a family member or companion has an emergency, please have medical treatment sought at the local hospital immediately. If admitted to the hospital for a serious or critical injury or illness, please call us and you will be connected with our Assistance Provider, available 365 days a year, 24 hours a day. Our Assistance Provider will work with you, your family or companion along with the attending Physician(s) and medical facility personnel to review your coverage. If it is determined a medical evacuation may be needed, whether the evacuation is to be carried out via a commercial aircraft or a private, medically equipped aircraft, a Medical Assessment, including Medical Records and other information regarding your health condition, will be needed prior to a medical evacuation being approved and arranged.

MEDICAL EVACUATION ARRANGEMENTS

Your enrollment in the Plan provides you access to medically warranted hospital-to-hospital evacuation transportation arranged by Travel MedEvac's Assistance Provider and their Medical Evacuation Providers according to the terms, conditions, and limitations set forth in the certificate of insurance.

All arrangements for transportation or assistance services under your plan must be made through Travel MedEvac's Assistance Provider and their Medical Evacuation providers, which when available, use highly accredited EURAMI or CAMTS certified air ambulance companies through our extensive network of providers. Any arrangements made by Plan Holder for medical evacuation services with an alternate air ambulance company or Assistance Provider will not be reimbursed for any charges or expenses incurred without our prior authorized written and notarized approval.

You agree to promptly notify, or have your representative promptly notify us for request of medical evacuation transportation if you believe it may be needed, specifying the nature of the injury or illness. Due to the nature of the services, a reasonable period of time is required to properly initiate a medical evacuation transportation, and you agree that diligence is necessary to properly accommodate a medical emergency. You also agree to provide notice of request at the earliest possible time, so we can secure a comprehensive medical assessment and to allow proper time to determine eligibility and prepare the medical evacuation transportation. Failure to contact us for the medical evacuation transportation in a timely manner may result in a denial or delay of services.

To facilitate providing the services, you hereby authorize us, Assistance Provider and any Medical Evacuation Provider utilized to disclose or discuss your medical information with any physician, hospital, medical attendant, or others regarding your physical condition including but not limited to medical records and diagnostic images and test results. This authorization shall remain valid until such time as you or your authorized representative revokes it in writing.

You also authorize us, the Assistance Provider and their network of air ambulance providers and any medical personnel or medical facility involved in the medical transport process to review your medical records, diagnostic images, and test results. The sending physician, receiving physician, and the Assistance Provider's, Medical Personnel must agree that the Plan Holder requires continued inpatient hospitalization, meets the criteria for an air medical transport and the Plan holder is medically stable for an approved transport to a qualifying medical facility. The medical evacuation transportation will not be provided until such time as we have obtained a completed medical assessment, the transport meets other applicable terms and there is confirmed admission to the receiving medical facility. Admission to the receiving hospital typically requires medical and financial acceptance. Repatriation from outside one's home country requires proper documentation, such as a passport, visa, etc. to clear customs and is the responsibility of the Plan Holder. A Plan Holder and/or companion may be denied medical evacuation transportation if they are unable to provide such documentation or are denied admission to their home hospital of choice.

You further authorize the Assistance Provider's Medical Evacuation Provider's medical personnel to perform procedures and provide treatment as they deem necessary, both prior to and during the course of your medical evacuation transportation. We do not provide or control the provision of medical services to Plan Holders. Our performance of our obligations under the Travel MedEvac's plan assistance services is ministerial in nature and shall not constitute any undertaking to render medical services, to assume or guarantee the result of medical services provided to Plan Holders, or to guarantee that the medical services performed by others will be rendered in accordance with generally accepted standards or procedures. The parties understand and agree that the rendering of medical services to a Plan Holder and the results thereof are solely within the control of the Medical

Evacuation Provider's medical personnel. Travel MedEvac is not liable for any malpractice by the Medical Evacuation Provider, their contracted network of air ambulance companies, or other healthcare providers, and the Plan Holder agrees to hold Travel MedEvac and its assigns harmless for said services.

GENERAL EXCLUSIONS AND LIMITATIONS ON ASSISTANCE SERVICES

Medical evacuation transportation is subject to limitations on the operation of aircraft imposed by mechanical issues, weather, regulations and restrictions imposed by the United States Federal Aviation Administration or comparable aviation administration authority of any other jurisdiction in which a medical facility or Plan Holder may be located, and other conditions beyond the control of Travel MedEvac or the Assistance Provider and their Medical Evacuation Providers.

A Plan Holder weighing in excess of three hundred (300) pounds or having other physical characteristics may limit the ability to place a Plan Holder into an aircraft due to size limitations of a fixed wing air ambulance aircraft and may be prohibited from transport.

The Assistance Provider and its Medical Evacuation Provider will manage the logistics of all air medical transports, including the possibility of using an alternate medical evacuation transportation provider that is part of their extensive worldwide network of accredited air ambulance companies should the need arise. Medical evacuation transportation from airports in some countries is restricted or closed to private aircraft, including air ambulance aircraft, from dusk until dawn which may delay an aircraft from reaching a Plan Holder.

Your plan provides medical evacuation transportation only through the use of ground ambulances and aircraft assigned by Travel MedEvac's Assistance Providers and their Medical Evacuation Providers. Your plan does not reimburse or otherwise allow for transportation arranged by the Plan Holder or provided through any other means (e.g., helicopter). Since your plan requires you to arrange any medical transports or services through our Assistance Provider, Plan Holders will not be reimbursed for expenses they incur on their own.

Both the sending and receiving medical facility must be reasonably accessible by ground ambulance to transport the Plan Holder to and from an airfield capable of accommodating medical aircraft transportation assigned by us. Air medical transport from remote areas or islands to a location with an airfield accessible to our primary provider's medical aircraft is not provided. Costs of evacuation from these remote areas to a location where we can provide service are the responsibility of the Plan Holder.

Due to limited medical and laboratory facilities on cruise ships, if a Plan Holder becomes ill or injured on a cruise ship, in all cases we will require a Plan Holder to be admitted to a hospital on-shore for a thorough medical assessment before a possible Medical evacuation transportation to another medical facility can be considered.

Aircraft and personnel cannot be sent into countries where the U.S. State Department or other governmental regulatory agency has issued travel restrictions, or to areas where civil aviation has been suspended or restricted, due to a natural disaster, civil unrest, an outbreak of illness/disease or any other cause. Various countries throughout the world may pose travel and/or medical restrictions, at any time, that prevent a transport. Your plan is subject to exclusion in these areas, as well as for any medical evacuation transportation that would be in violation of any Federal Aviation Administration rules or regulations, or comparable aviation administration authority, or Presidential orders restricting air travel for any jurisdiction you may be traveling. A Plan Holder diagnosed with or suspected of having tuberculosis or other chronic pathogens or infectious disease as defined and classified by the Center for Disease Control and Prevention, the National Institutes of Health, or comparable administration authority, may be prohibited from transport due to travel and other governmental restrictions.

The patient, and an accompanying passenger(s) if the medical condition and space allows, are limited to one small carry-on bag each due to limited space available on the medical aircraft.

ADDITIONAL DISCLAIMER AND LIMITATIONS ON LIABILITY

The Plan Holder acknowledges that medical evacuation transportation is arranged through our Primary Medical Evacuation Provider and their extensive network of air ambulance companies, although the ground ambulance and aircraft is equipped with personnel and equipment to sustain and preserve the life of a patient while in transit, a Plan Holder's condition may deteriorate during the transport to the point of death or irreparable harm. The Plan Holder understands and assumes this risk, and therefore agrees that Travel MedEvac, plan underwriter Nationwide Insurance, our Assistance Provider and their Medical Evacuation Providers or other outside contractors, including their shareholders, officers, managers, employees, agents, affiliates, distributors,

predecessors, successors, and assigns, shall not be responsible to any person, including but not limited to the Plan Holder or the Plan Holder's estate, survivors, agents, assigns, or representatives, for the Plan Holder's death or deterioration of the Plan Holder's condition.

Travel MedEvac and its underwriters, managers, employees, agents, affiliates, successors, and assigns shall not be liable for any harm or damages relating to or resulting from services provided by our Assistance Provider, their Medical Evacuation Providers or other outside contractors. Neither Travel MedEvac nor its underwriters, managers, employees, agents, affiliates, distributors, successors, or assigns shall be liable to any person for the death, disability, or injury of the Plan Holder or any other person accompanying the Plan Holder unless the injury is determined by a court to be solely caused by the gross negligence or willful misconduct of Travel MedEvac. We shall not be liable for delay or failure to perform under the plan if such delay or failure is caused by the unavailability of a ground ambulance or aircraft, government restrictions, mechanical failure, acts of god, fire, flood, strike, labor dispute, riot, insurrection, war, or any other cause beyond the control of Travel MedEvac, our Assistance Provider and their extensive network of highly accredited worldwide Medical Evacuation Providers, or other outside contractors.

GENERAL PROVISIONS

Except as otherwise set forth in this certificate of insurance, the assistance provided is provided on an "as is" and "as available" basis. Travel MedEvac and its managers, employees, agents, affiliates, distributors, successors, and assigns expressly disclaim all warranties of any kind, whether express or implied. The Plan Holder, individually and on behalf of the Plan Holder's estate, and the Plan Holder's survivors, agents, assigns, and representatives, expressly understand and agree that Travel MedEvac and its Assistance Provider, Medical Evacuation Provider,, managers, employees, agents, affiliates, distributors, successors, and assigns shall not be liable to the Plan Holder or the Plan Holder's estate, survivors, agents, representatives, or assigns, or the general public, for any direct, indirect, incidental, special, consequential, punitive, or exemplary damages relating to or arising out of the plan or the services to be provided hereunder. The total liability of Travel MedEvac and its Assistance Provider, Medical Evacuation Provider, managers, employees, agents, affiliates, distributors, successors, and assigns relating to or arising out of the plan or the services provided hereunder shall not exceed the amount equal to the plan and policy fees paid to date during the current term of your plan. Medical evacuation transportation made pursuant to the plan is subject to rules and limitations of certain international treaties governing international air travel, including but not limited to the Warsaw convention and/or the Montreal convention, which limit the liability of air carriers with respect to death or injury of passengers, for loss or destruction of baggage, or for delay.

The plan assistance services as defined constitute a summary of the agreement between Travel MedEvac and the Plan Holder. All legal actions arising under or relating to the assistance services provided or arranged by Travel MedEvac through the Assistance Provider and its Medical Evacuation Providers for you under your plan, shall be barred unless written notice thereof is received by us within six (6) months from the date of the services provided.

You further agree to waive the right to trial by jury in any action arising out of or relating to any assistance services provided or arranged by Travel MedEvac and its Assistance Provider or their Medical Evacuation Providers for you under your plan. Your plan cannot be transferred or assigned by you, and any attempted transfer or assignment shall be null and void.

Travel MedEvac, the Assistance Provider and its Medical Evacuation Providers, in its sole discretion, may monitor or electronically record communications between its employees or designated representatives and you in connection with your plan.
